

AFVDA - GLASS WORKSHOP IN ITALY

We offer a variety of glass workshop holidays. From short breaks to a week long glass course, with availability year round. Our workshops are suitable for beginners or those looking to improve their skill.

Our instructors, true masters of the art, have many years of experience.

Students (minimum 18 years old) come from all parts of the world to take advantage in this professional experience.

fusion and slumping – glass beads – blown lampworking technique – stained glass – the creative mosaic – recycling glass art work – Venetian glass blowing
